

Ag Awareness

at the California State Fair

ACTIVITY & COLORING BOOK

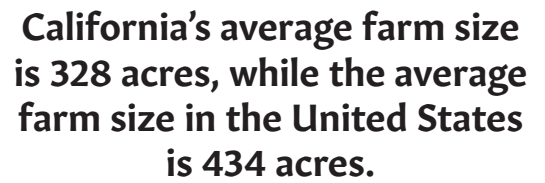

ILLUSTRATIONS BY TUYET TRUONG

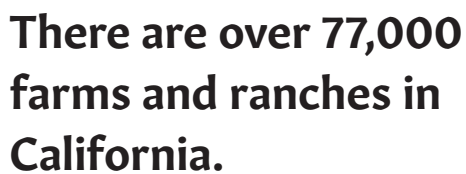

The California Agricultural Heritage Club recognizes those who have maintained financial responsibility in California agriculture for 100 years or longer.

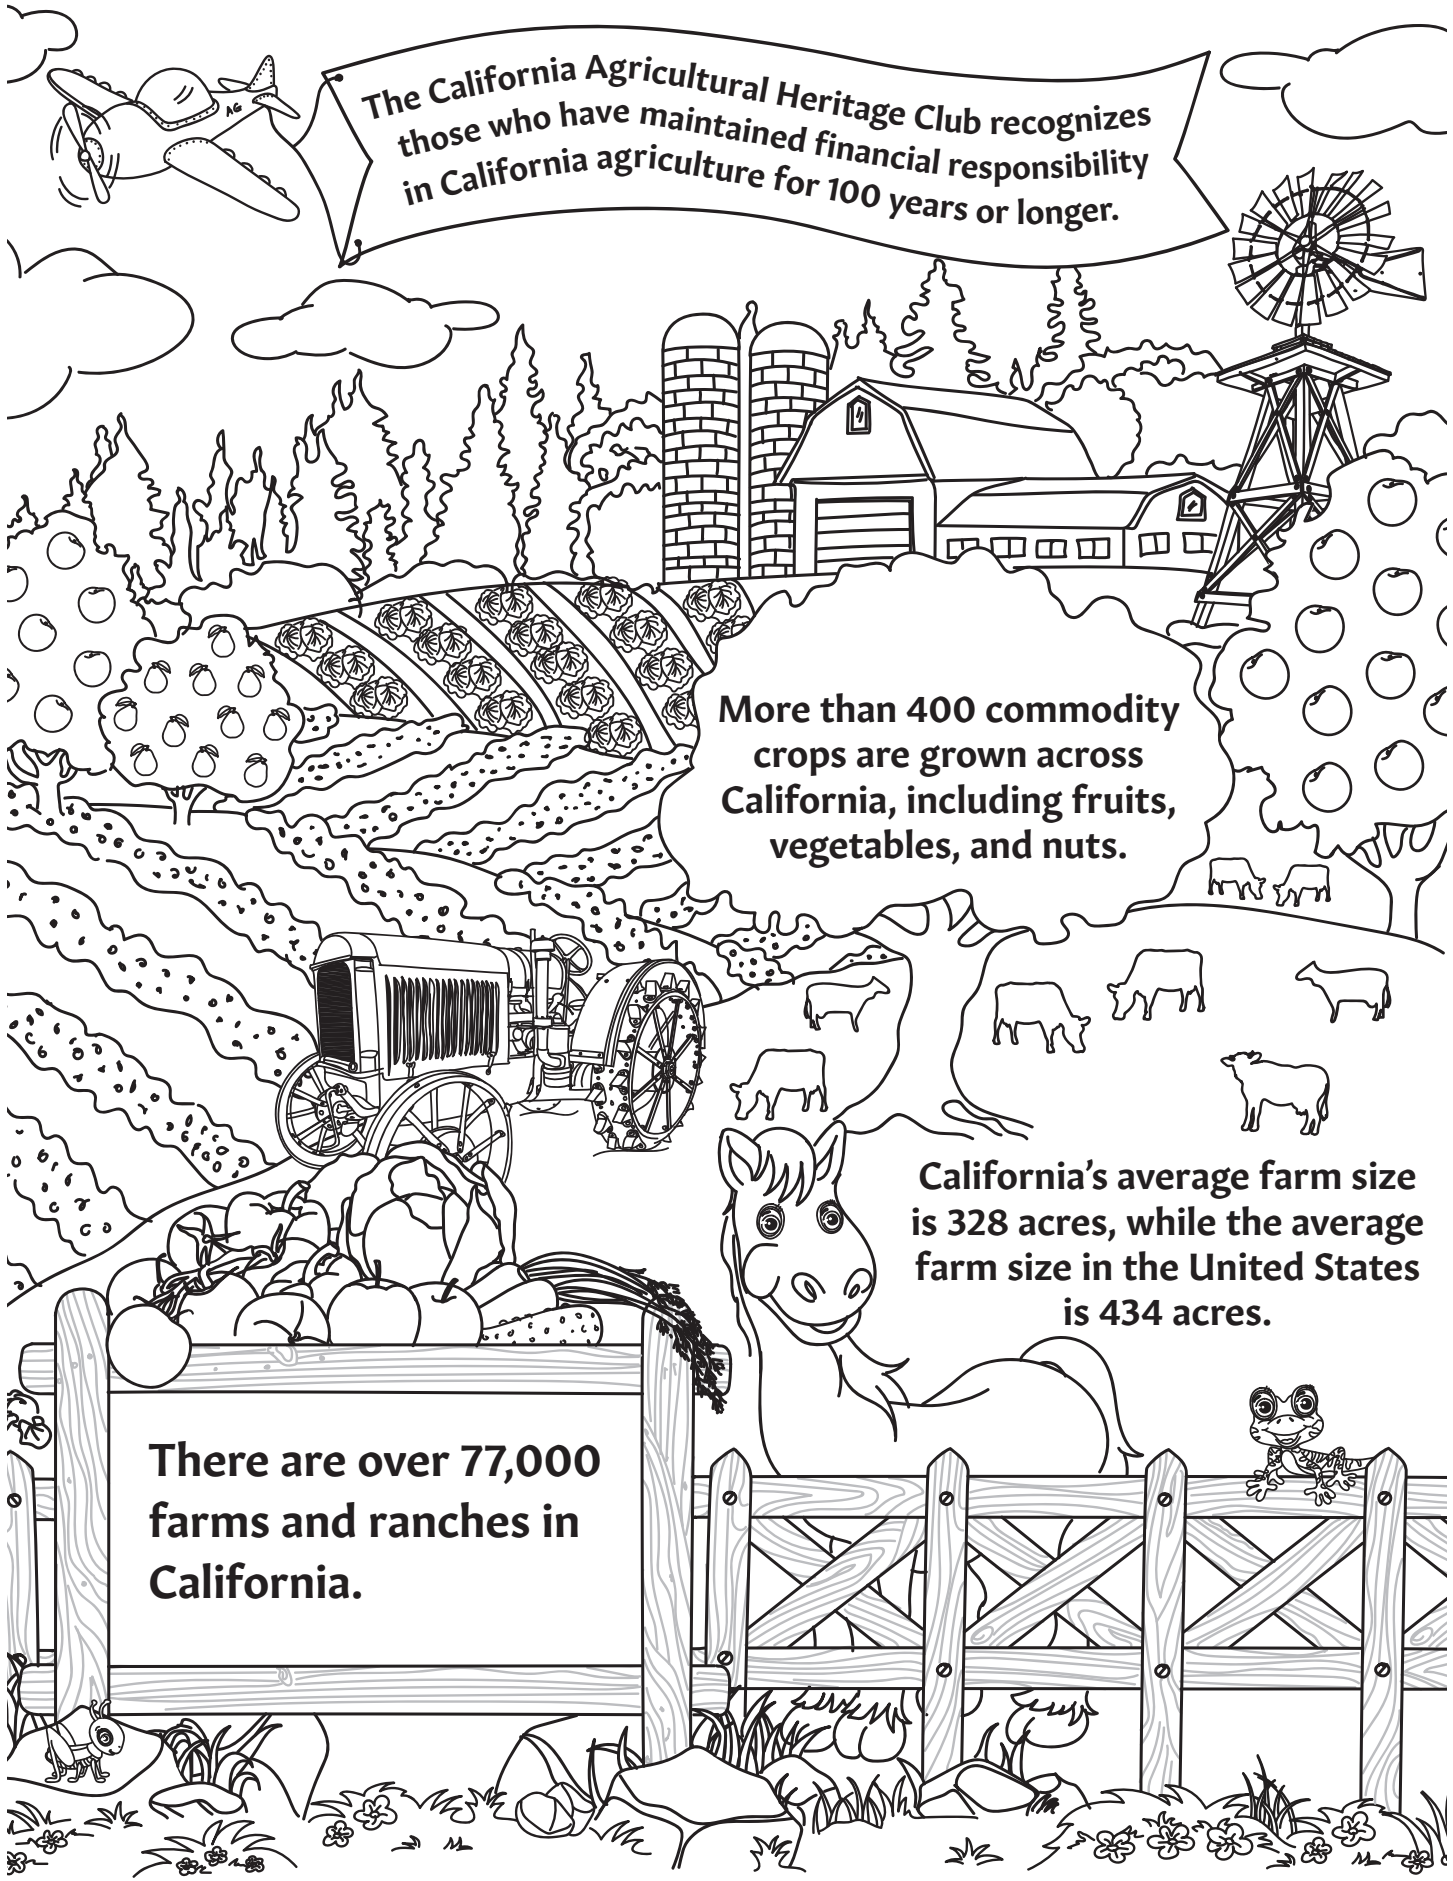

More than 400 commodity crops are grown across California, including fruits, vegetables, and nuts.

California's average farm size is 328 acres, while the average farm size in the United States is 434 acres.

There are over 77,000 farms and ranches in California.

Ag Awareness

at the California State Fair

ACTIVITY & COLORING BOOK

ILLUSTRATIONS BY TUYET TRUONG

California State Fair is the best place to learn about California agriculture. Since you cannot see us during the pandemic, we are sharing some highlights of agriculture activities at the California State Fair with you. This Ag Awareness Activity & Coloring Book includes worksheets, fun facts, games, and more featuring California's agriculture.

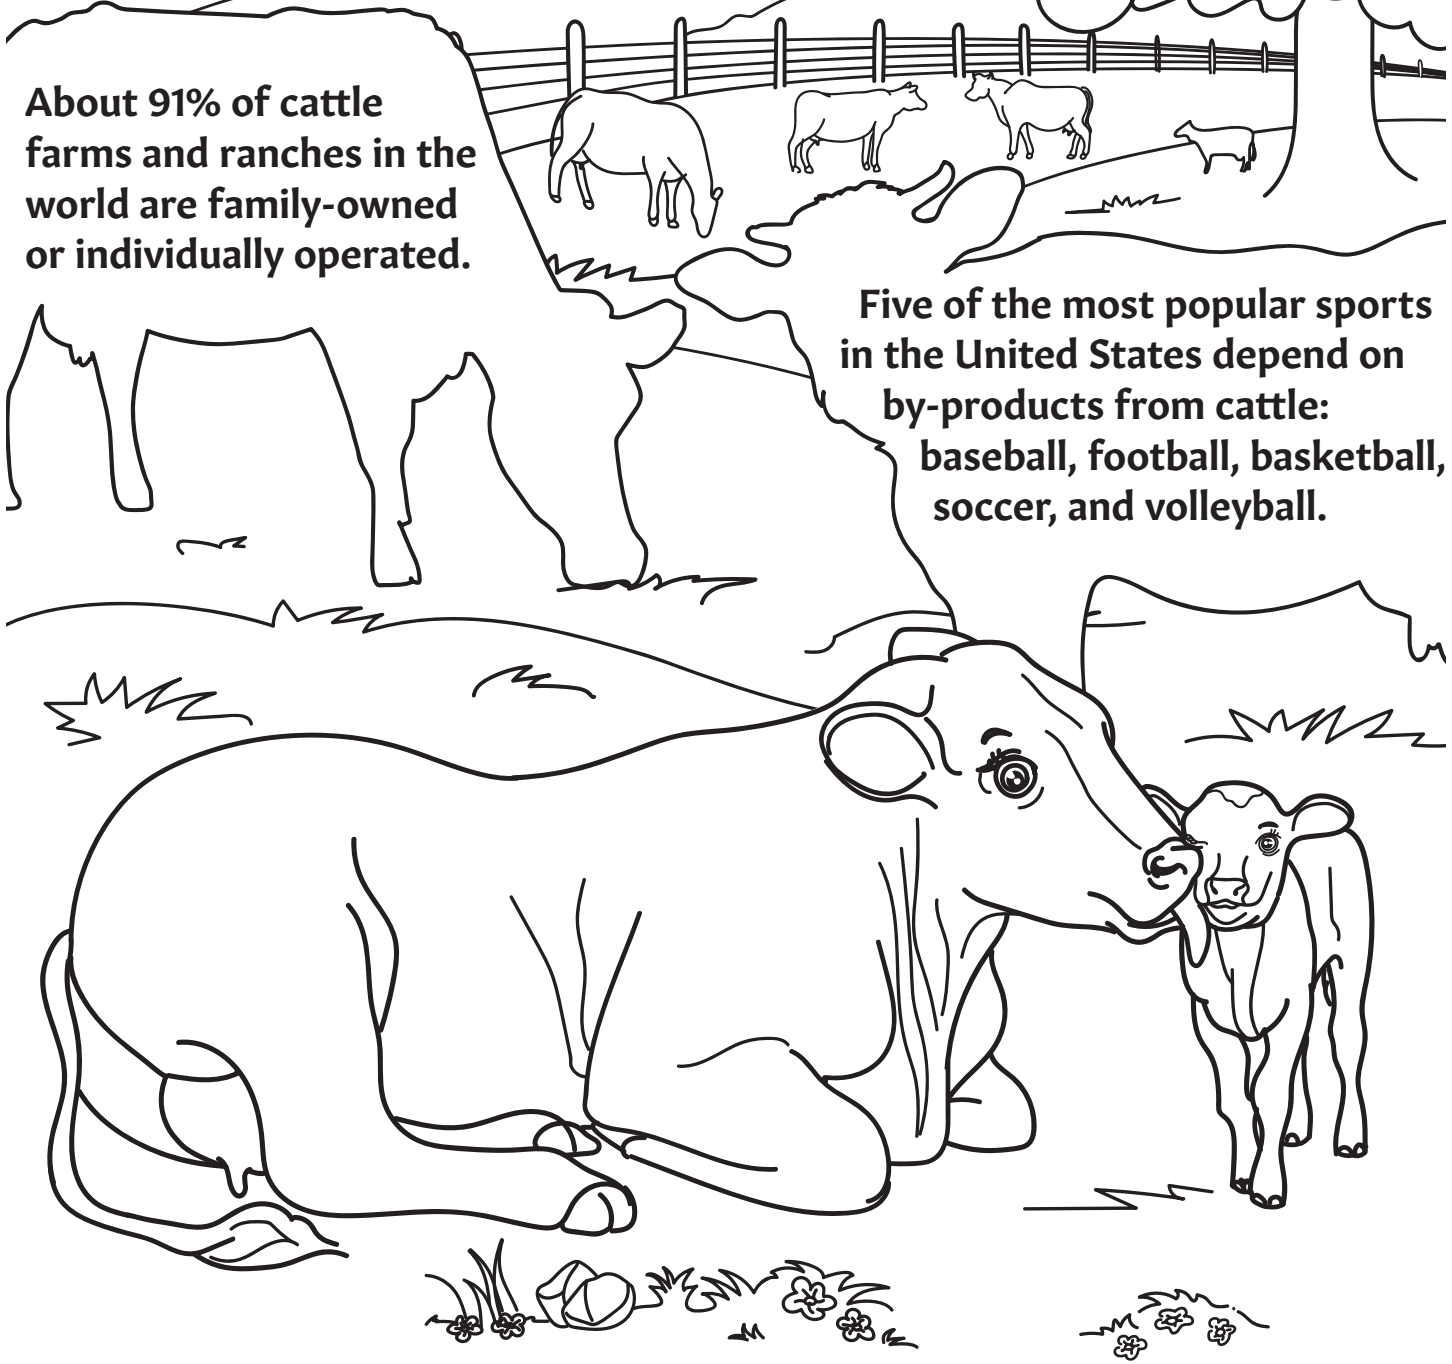

A newborn calf weighs around 80-100 pounds.

About 91% of cattle farms and ranches in the world are family-owned or individually operated.

Five of the most popular sports in the United States depend on by-products from cattle: baseball, football, basketball, soccer, and volleyball.

Goat Terminology

Female goat: Doe

Male goat: Buck

Castrated male goat: Wether

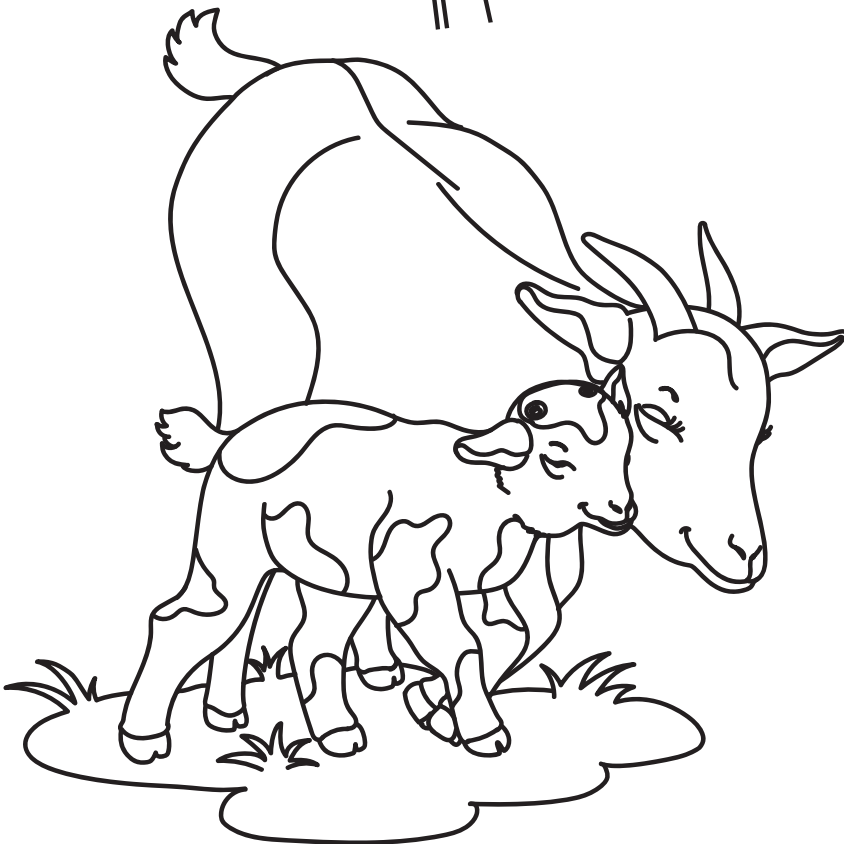

Baby goat: Kid

Approximately 72%
of milk consumed
by humans worldwide
is goat milk.

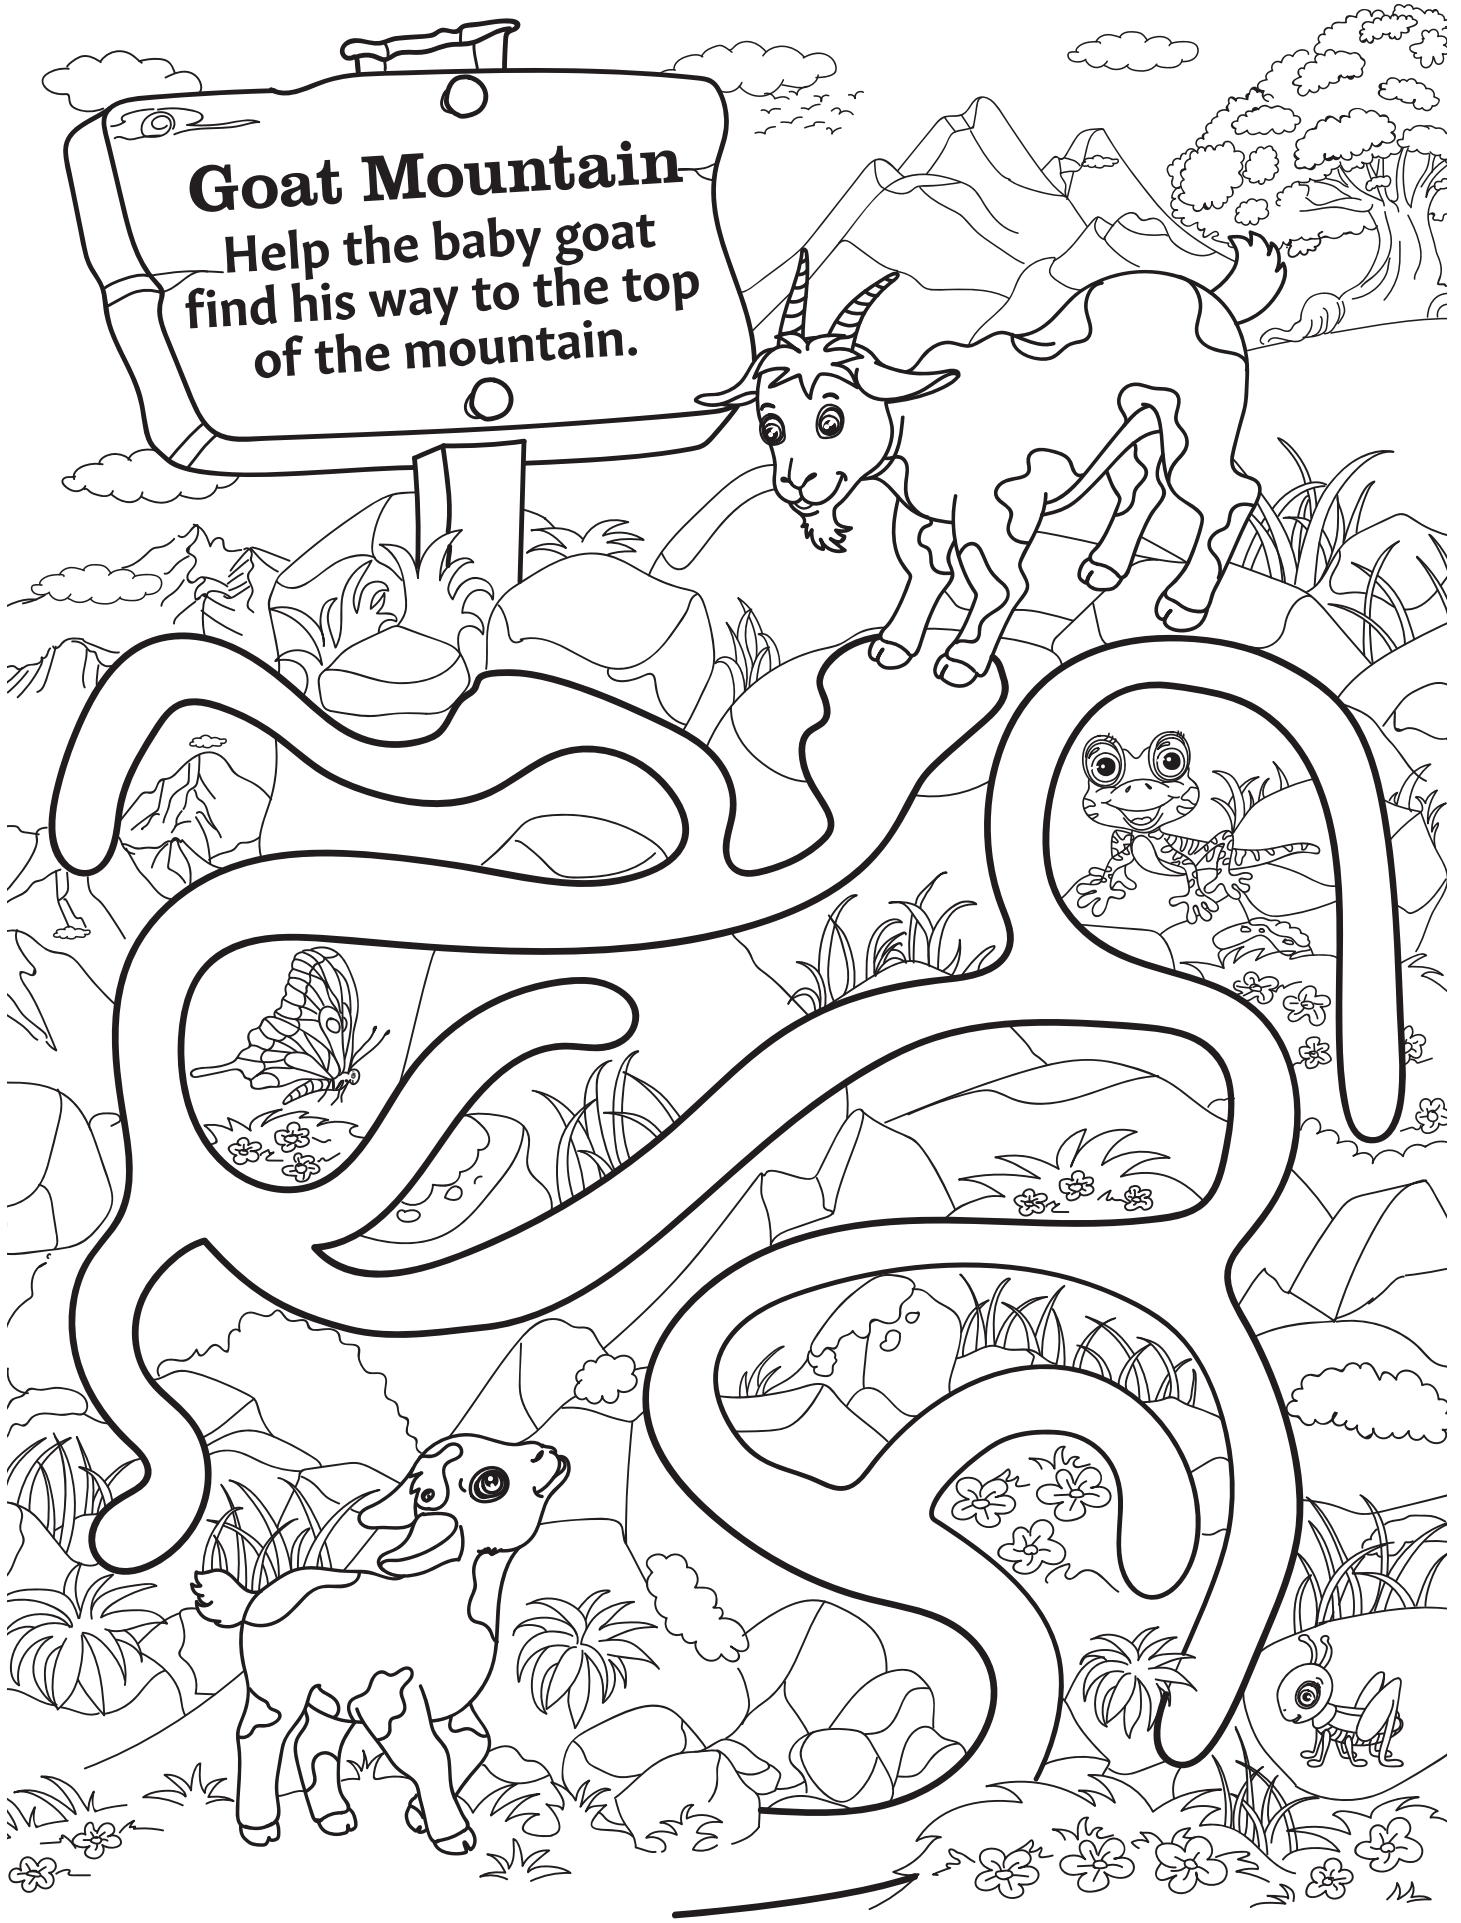

Goats have rectangular
pupils. Rectangular
pupils give a goat
320°-340° degree vision.
Humans, however, have
only 160°-210° degree
vision.

What do you call a baby
goat that knows martial
arts?

A Karate Kid!

Goat Mountain
Help the baby goat
find his way to the top
of the mountain.

#3
Dairy Center

*California is the nation's leading dairy state!
Approximately 1 out of every 5 dairy cows
in the U.S. lives in California.*

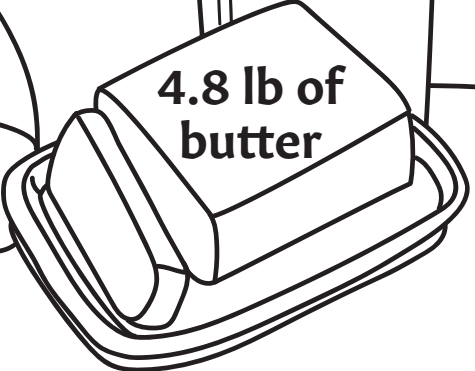

**a high-producing
dairy cow in one
day makes:**

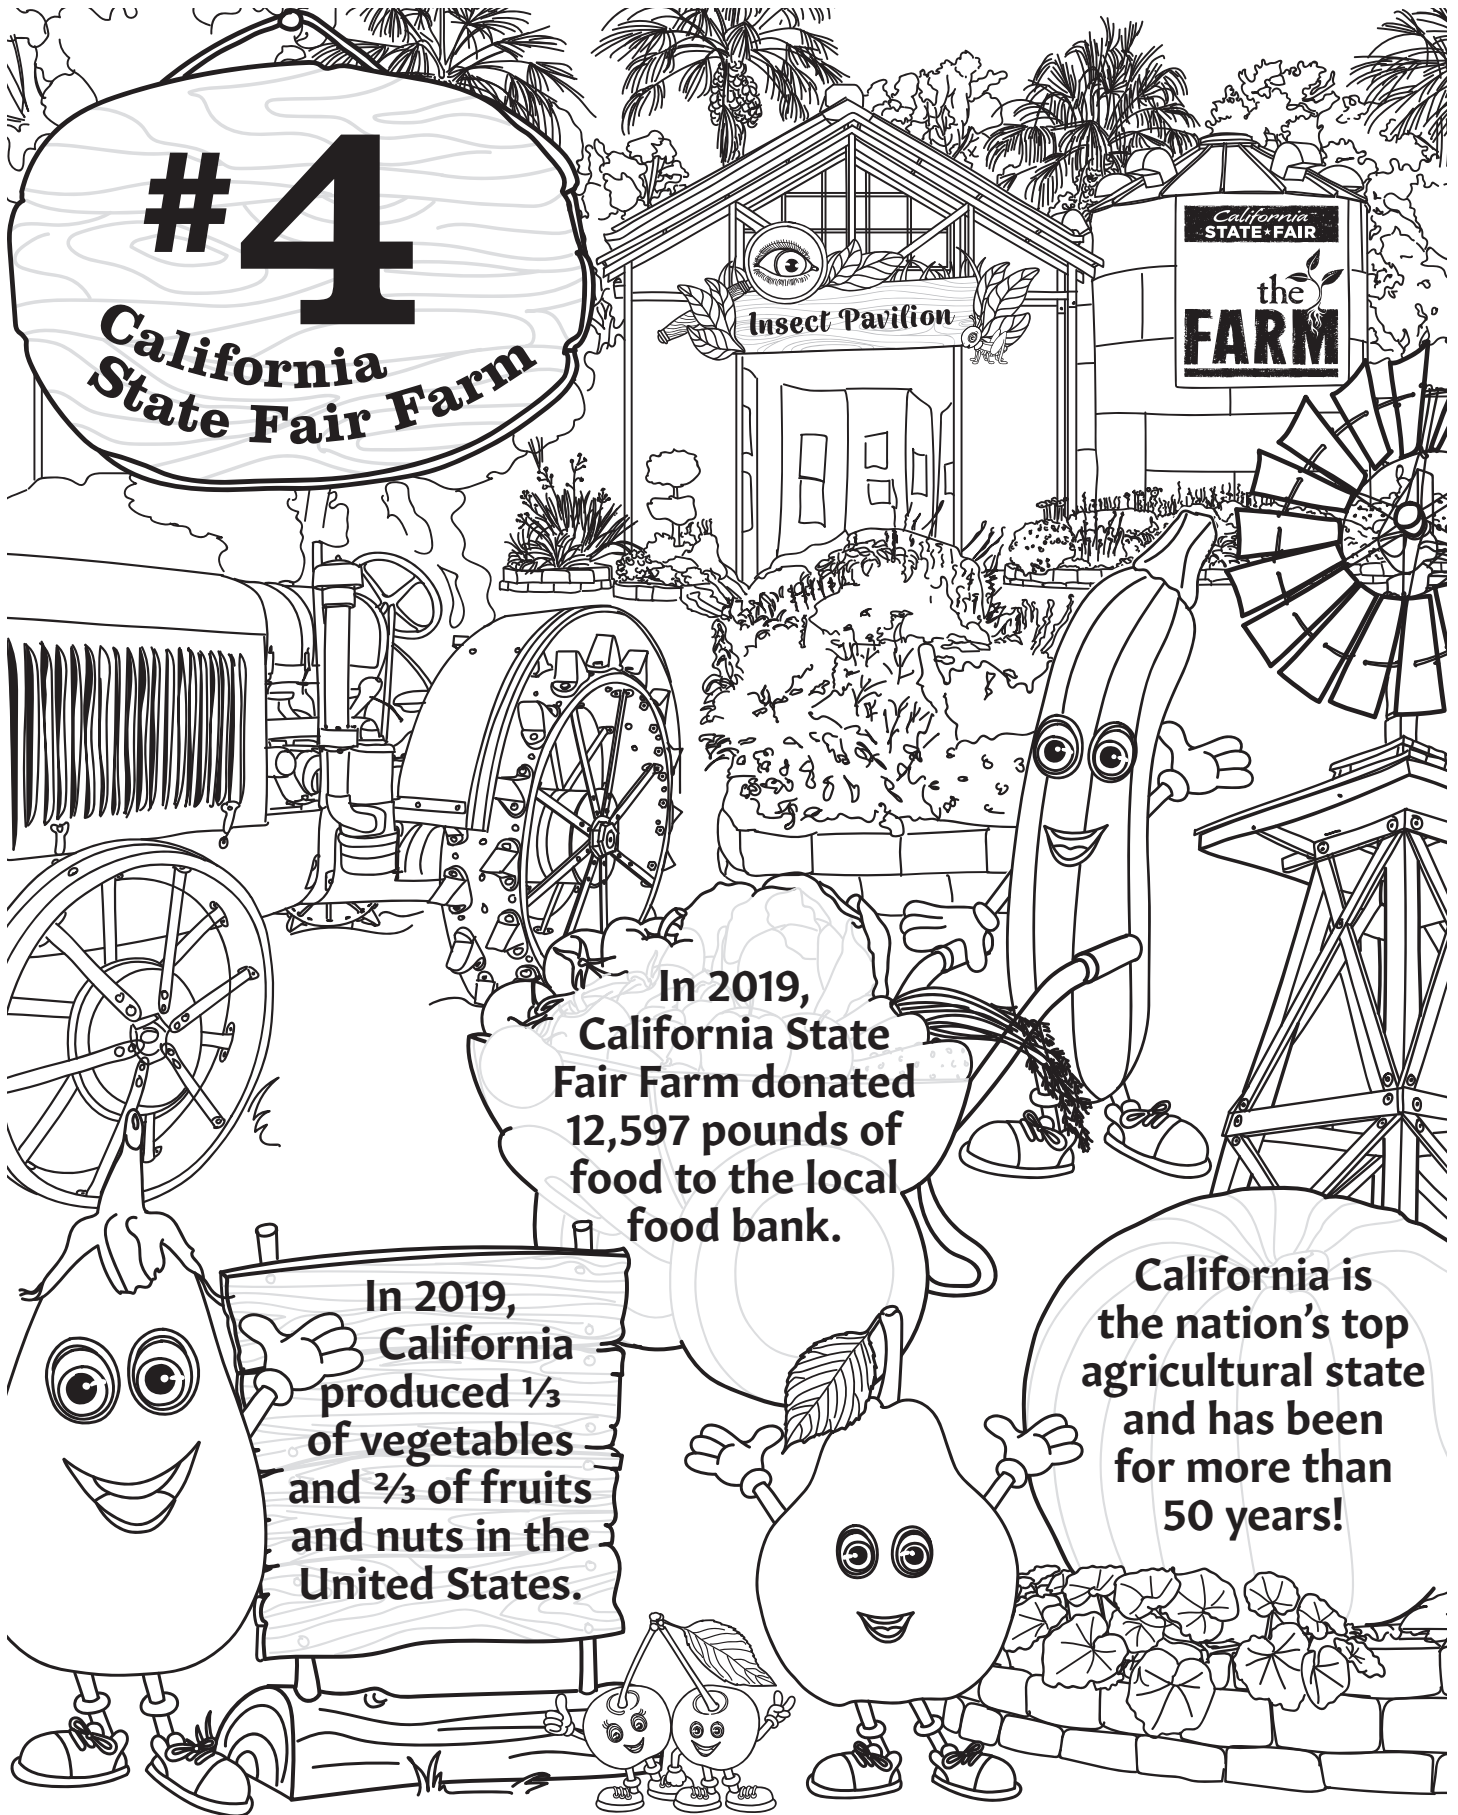

**The greatest amount
of milk produced in
the U.S. one year was
59,298 pounds by a
Holstein cow named
Robthom Sue Paddy.**

**8.7 gal of
ice cream**

**10.5 lb of
cheese**

**4.8 lb of
butter**

#4
California State Fair Farm

**In 2019,
California State Fair Farm donated
12,597 pounds of
food to the local
food bank.**

**In 2019,
California
produced $\frac{1}{3}$
of vegetables
and $\frac{2}{3}$ of fruits
and nuts in the
United States.**

**California is
the nation's top
agricultural state
and has been
for more than
50 years!**
