10. MATTERS OF INFORMATION:

- a. Update on COVID-19 Emergency Support Provided by Cal Expo
- **b.** CEO Comments

CEO Pickering updated the Board on the COVID 19 projects at Cal Expo. Cal Expo is still supporting 4 COVID projects. 1 Testing project, 2 Mega Vaccinations projects and 1-63 trailers to support homeless with COVID or high risks for COVID. Cal Expo's Mega Vaccination Centers are approaching vaccinations of 130,000 people. Pickering also reported that Acting Chief Walton has agreed to continue for another 6 months as Acting Chief for our Police Department. He is doing a great job.

Pickering updated the Board regarding the \$15 million Deferred Maintenance Money. Cal Expo has encumber almost all that with projects. \$7-8 million in projects were underway or completed by the end of 2020 and \$2-3 million more projects have been completed since December of 2020. Cal Expo is down to encumbering the final \$2 million. The \$15 million certainly helped with roofs, HVAC and replacing 1.8 miles of underground gas lines, junctions, meter boxes and the things that the public doesn't see. Cal Expo is putting together the next list of deferred maintenance projects. These projects are all tied back to the Sierra West Study.

CEO Pickering continued with events and tenants. Watch & Wager will be wrapping up late April, early May. They are in the process of moving out. Cal Expo has put a contract in place with Sacramento County Fair, which is a State Agency Fair. Cal Expo is assisting them in doing their livestock grading and auction. This event is taking place in the horse racing barn area as it did last year, with a larger foot print. This is contingent upon Sacramento County Fair receiving Sacramento County Health, Cal Fire and California Horse Racing permit approvals. Mike Albiani is their current Board Chair.

Cal Expo is applying for a Federal grant called the Shuddered Venue grant as it's related to entertainment venue which Cal Expo is one.

Sac Republic doesn't have a Pro-league schedule yet and are planning their first friendly match in April.

Raging Waters originally didn't plan on opening for Summer 2021. We are now in dialog with them for a June opening.

Our events department has been in negations with several of our larger events that want to come back. Country in the Park, International Sportsman Expo along with 20-30 other events want to return to Cal Expo.

Cal Expo had a productive meeting with Cal Trans regarding the widening of the Capital City freeway and using Cal Expo as a staging area. CEO Pickering thanked all the employees that are still working at Cal Expo for picking up other duties to keep Cal Expo open.

- C. Directors Comments/Agenda Items for Future Meeting Director May wanted to echo CEO Pickering's comments to staff. Chair Durfee stated that he is happy with things and that we are surving this. A year ago we were wondering where we would be after cancelling the 2020 State Fair. Cal Expo is still here and there is light at the end of the tunnel. Durfee continued to say how much he appreciates Marcia Shell and Jen Koga for taking on more duties.
- d. Next Board Meeting Friday, April 30, 2021, (Subject to change due to COVID-19 emergency)

RV Income 2019 v 2020:

The Cal Expo RV Park has had a challenging year just keeping current with the evolving COVID-19 guidelines for guest overnights. The travel ban was especially difficult to

manage as the guidelines mandated no guests from over 100 miles away at one point. Some mandates were relaxed to 'no guests from out of the state'. The cleaning guidelines were stringent in regards to public bathrooms and showers. Protocols are still in place for masks, gatherings, social distancing, and cleaning.

Below is a comparison snapshot between income in 2019 and 2020.

Spectra Proposal Regarding Losses

Background

Spectra has served as the Master Food & Beverage Concessionaire (F&B) at the California Exposition and State Fair (Cal Expo) for more than 28 years. The current Food & Beverage agreement is set to expire in December of 2022, unless it is mutually extended. In 2014, Spectra entered into a separate agreement to build and operate a Multiuse Sports Facility at Cal Expo, which is the home of the Sacramento Republic FC. The Sports Facility agreement is also set to expire in December of 2022, unless it is mutually extended. Since March of 2020, Spectra, along with Cal Expo, has experienced significant financial losses due to the fact that COVID19 prevented events from taking place in California. Consequently, Spectra is respectfully requesting that Cal Expo financially assist in mitigating its losses.

In 2011, Cal Expo issued a Letter of Intent that sought out the interest of qualified companies to provide Food & Beverage services. Four companies responded, and two were deemed to be qualified. Cal Expo then issued a formal Request for Proposals in February of 2012. Spectra (previously operating as Ovations) was the only company that submitted a proposal under the RFP. Following months of negotiations, the current Master Food & Beverage agreement was entered into in November of 2012.

Spectra Requests that Cal Expo Pay 50% of Spectra's 2020 Losses at the Grandstand

Section 8 of the F&B agreement reads:

"Ovations (now Spectra) will make commission percentage payments to Cal Expo as follows:

- a. Thirty-two percent (32%) of all gross sales of food, non-alcoholic beverages, and alcohol, excluding catering and sales of food and beverage in the grandstand and excluding sales of sub-concessionaires.
- b. Nine percent (9%) of all gross sales for catering services.
- c. Fifty percent (50%) of all net proceeds from sales generated in the grandstand facility. Should net proceeds reach \$50,000 in a single year from sales generated in the grandstand, the parties will negotiate the commission schedule pertaining to the grandstand.
- d. Fifty-percent (50%) of the commissions received by Ovations (now Spectra) from subconcessionaires. Ovations agrees that sub-concessionaires will not supplant services

provided by Ovations and that Ovations' use of sub-concessionaires shall be approved by Cal Expo."

Section 16 (D) of the F&B agreement reads:

"In the event Ovations is prevented from carrying on the operation contemplated herein by reason of an act of God, or other reason beyond its control, and when such is so determined by Cal Expo, then the commissions and other fees prescribed herein may at the discretion of Cal Expo be abated for such period of non-compliance.

ISSUE #1 - 2020 Losses at Grandstand

Spectra is interpreting the 2012 agreement to mean that Cal Expo is responsible to pay Spectra for 50% of any operating losses at the grandstand. Spectra is therefore requesting that Cal Expo pay to Spectra \$121,404 (50% of Spectra's loss at the grandstand in 2020.) Spectra states that this precedent was established in 2016, when Cal Expo was responsible for roughly a \$6,396 operating loss at the grandstand and Spectra carried this \$6,396 on the books into 2017. Staff was not aware of the \$6,396 loss in 2016 or that Spectra carried it into 2017.

Staff's interpretation of the 2012 agreement is that Cal Expo is not responsible for 50% of Spectra's losses at the grandstand or any portion thereof. Key to this position is the fact that Cal Expo has no ability to control Spectra's expenses, operating costs, labor, cost of goods, insurances, corporate overhead or charges, etc.

Staff also interprets Section 16 (D) of the agreement to allow Cal Expo to abate Spectra's rent commissions in the event of an act of God, but it does not contemplate that Cal Expo would pay 50% of Spectra's losses at the grandstand.

Spectra has proposed that it is willing to carry the \$121,404 on its books into future years, if Cal Expo will agree now to a 10-year extension of the current agreement, through December of 2032.

Spectra Request that Cal Expo Forgive Rent Payments for the Multi-use Sports Facility

The existing Sports Field agreement (Section 4 (a)) requires Spectra to pay Cal Expo fifty percent (50%) of net revenue or \$100,000, whichever is greater as a guaranteed annual rent. The minimum guarantee is handled in 12 monthly payments of \$8,333. Spectra ceased making such monthly payments in August of 2020 and is currently in the rears roughly 7 months or \$58,331. Although required by the agreement, Spectra has not reimbursed Cal Expo since August of 2020 for utilities, security, support personnel, custodial, etc.

In its original design, the Sports Facility was to be entirely contained within the footprint of Spectra's lease agreement. While the facility was under construction, Spectra rearranged the layout to allow space for a future large rolling stage at the South end of the facility and expanded seating on the West and North side bleachers. To accommodate these future improvements, Spectra requested to move major portions of the operations outside of the lease footprint and into Cal Expo's Lot 25. Lot 25 now contains the Team Locker Rooms, the Team's Broadcasting Facilities, Spectra offices, Spectra dry storage, two large Restroom Facilities, the Team's main merchandise sales facility, several food stands and bars, several entertainment stages and a youth play area, a major storage building, etc. Since these important structures exist outside of the footprint of the lease, a separate year-to-year Rental Agreement was entered into in the amount of \$3146. per month. Spectra has not paid this monthly amount

since August of 2020. Spectra has not signed the Lot 25 Rental Agreement for 2021 but continues to use this space without a contract.

Issue #2 - Abatement of Rent at the Multi-use Sports Facility and Free use of Lot 25

Spectra is requesting that Cal Expo abate (forgive):

- a. Upwards of 14 months of the Minimum Guarantee Rent (equals \$116,662.);
- b. Upwards of 14 months of Lot 25 rent; (equals \$44,044.); and
- c. Allow the "rent free" use of Lot 25 through December of 2022, when the agreement is set to expire (18 months equals \$56,628.). This would be a combined total of \$217,334.

Spectra is also requesting that Cal Expo agree now to a 10-year extension of the Sports Field Agreement, through December of 2032.

Due to COVID, for most of 2020, Sacramento Republic FC home games were not allowed to have patrons in attendance. Concerts were also precluded from being conducted since March of 2020. This was a significant financial hardship for Cal Expo, Spectra and Sac Republic.

General Analysis

Staff recognizes and appreciates the financial hardships that have resulted due to COVID. In fact Cal Expo had to let go all of its part-time and seasonal staff in April of 2020 and roughly 60% of its full time employees by January of 2021. Cal Expo was not allowed to conduct a State Fair in 2020, and the 2021 State Fair is precluded due to Cal Expo being requested to remain open as a designated "super site" for vaccinations through September.

Staff is cognizant of the more than 30-year relationship with Spectra (previously operated as FanFare and Ovations.) However, it does not appear equitable for Cal Expo to be asked to cover 50% of Spectra's losses at the Grandstand, while at the same time be asked to forgive 100% of Spectra's rent at the Sports Facility.

It may be a dangerous precedent if Cal Expo pays to cover 50% of Spectra's losses. Cal Expo has no ability to control Spectra's expenses. In fact, Spectra has made it clear that Cal Expo has no authority to direct cuts in Spectra personnel, overhead, corporate allocations, etc.

Spectra has stated that they applied for several Federal funding programs during COVID, but did not receive any such funds. Staff is not aware if Spectra has provided or plans to provide Sac Republic with any rent relief due to COVID.

Given that Cal Expo is a State Agency, and that other food companies have expressed an interest to compete for this contract, it may not be prudent to provide a 10-year extension at this time. Consideration of such an extension, would require a more comprehensive analysis of the performance under the current agreements, as well as properly placing such an extension on a public agenda.
